The Rev. Dr. Riley R. Smith, Jr. felt that when he retired he should compose CD's that would bless children and families. These CD's have been given out at Lake Christian Ministries and local churches. When asked how much they cost, Rev. & Mrs. Smith suggest that a donation be given to Food For Kids. The Smiths believe this is a ministry where they not only want to help Food For Kids, but pray that the CD will be listened to and bless the listener. Their children's CD's have traveled across the United States and as far away as a mission in Africa. The Smiths have said "Only God could bless us so much. Thank you for your interest in this ministry".

Rev. Smith's CD's will be available at all 3 Country Breakfasts.
