FOOD FOR KIDS

Weekend Pack-A-Sack Program

Happy New Year!

Welcome to a new year! We would like to take this time to thank all of our supporters who will be helping us to alleviate food insecurity for elementary children in our area.

We are committed to keeping our costs at \$9 per week, per child. You can help support one child for a month for \$36 or \$360 for one school year. Donations are essential in helping us to meet the needs of these school children. All donations are welcome and tax deductible.

We would like to thank all of the Montvale Elementary School crafters, family, and friends of the All Good Things Christmas Market on November 30, 2019. There were fabulous crafts, food, and most of all the spirit of love and concern for those children in need. We also appreciate the overwhelming support from your community and the wonderful attendance that day!

Your giving spirit whether it be in time, effort, peanut butter, or money is the backbone to keeping our program moving forward. We of course welcome your prayers for our organization as we rely on our Heavenly Father for guidance and the means to continue to serve the food insecure children of our community.

We thank you again, and will appreciate your continued support in 2020.

Here are some of our packing groups.

Organized and sponsored by area churches, businesses, civic groups and other concerned individuals, **FOOD FOR KIDS** is a 501(c) (3) non-profit organization.
